

MOBILITY

Organisational mobility allows for an innovative way of working, keeping users connected on the go

- Simple and easy mobile connectivity with in-built wifi
- Flexible mobile workflows enable users to intuitively print, scan and capture directly on their mobile with Canon PRINT Business
- Support for Apple AirPrint, Mopria and Google Cloud

Safeguard data and ensure sensitive information remains secure

SECURITY

- Control who has device access with user authentication systems
- Ensure data is secure with hard drive encryption
- IPsec, port filtering capabilities and SSL technology keeps information private and secure throughout your network

INTEGRATION

Seamlessly integrate into new and existing systems

- Leverage Canon's MEAP platform to optimise processes integrating with a range of powerful document, capture and output management solutions
- Collaborate with key line of business applications and external systems
- Supports integration with popular cloud services like Google Drive and Box*

^{*} Requires uniFLOW Online Express or uniFLOW Online subscription

Save time and resources with increased workflow productivity

- Intuitive, user-friendly interface with a large 10.1 WSVGA touchscreen and smart phone similarities
- My ADVANCE functions allow users to create their own personalised experience, tailored to meet their unique needs
- Streamline digital workflows with improved scanning abilities such as single-pass document feeder and automatic blank page removal
- High quality output systems with V2 colour imaging technology and a range of finishing options including stapling, booklet, staple on-demand and eco staple

Manage costs with ease thanks to improved efficiencies

- Reduce wastage with Forced Job Hold at the device allowing users to preview, change print settings and sample print before releasing the full job
- Manage print by applying print policies and monitoring output
- Control print costs by restricting access not only to the device but to functions by user such as colour and 1-sided printing
- Reduce downtime and use of IT resources with remote support and fleet management

Achieve environmental goals by incorporating responsible design and efficient operations

- Motion Sensor and Sleep Recovery Triggers reduce energy consumption
- Sustainable design introduced with recycled materials and bio-based plastics
- Minimise waste with default print settings including two-sided, and black and white options
- **ENERGY STAR and Blue Angel** qualified with leading-class, Typical Electricity Consumption (TEC) rating

CONFIGURATION

Booklet Finisher

- · 2-tray, 3,250 sheet capacity
- Corner and double stapling up to 50 sheets (80 gsm)
- Booklet-making up to 20 sheets and non-staple saddle folded capacity up to 3 sheets (A3/A4R)
- · Supports Eco stapling 4 sheets (80 gsm) and Staple On-Demand 50 sheets (80 gsm)
- internal 2/4 and 4 hole inner punchers

· Supports optional

Staple Finisher

- · 2-tray, 3,250 sheet capacity
- · Corner and double stapling up to 50 sheets (80 gsm)
- · Supports Eco stapling 4 sheets (80 gsm) and Staple On-Demand 50 sheets (80 gsm)
- Supports optional internal 2/4 and
- 4 hole inner punchers

 Transports paper to external finisher

Inner Finisher

- 1-tray, 550 sheet capacity
- · Corner and double stapling up to 50 sheets (80 gsm)
- · Supports Eco stapling 4 sheets (80 gsm) and Staple On-Demand 45 sheets (80 gsm)
- Supports optional internal 2/4 and 4 hole inner punchers

Paper Deck Unit

- Supports A4
- · Media weight 52-256 gsm
- · 2,700 sheets (80 gsm)

ColorPASS-GX500

- PS/APPE
- 4GB/1TB
- Fiery FS200 Pro

imagePASS-PS1

- PCL/PS
- · 2GB/500GB
- Fiery FS200

- Personalised printing with the built-in, entry-level Fiery FreeForm™ or with the supported industry-leading variable data printing (VDP) formats
- Integrates print production workflows with EFI™ management information systems, Web-to-Print systems, and popular pre-press workflows for end-to-end automation
- Communicates with the full suite of optional uniFLOW modules C5550i and C5560i only

Cassette

- Feeding Unit Supports up to A3
- · Media weight 52-256 gsm
- 2 x 550 sheets (80 gsm)

High Capacity Cassette Feeding Unit

- Supports A4
- Media weight 52-256 gsm
- 2,450 sheets (80 gsm)
